

TURNBULL GARDEN CENTER 2025 BARE ROOT PLANT ORDER FORM

We do not guarantee the availability of any plant material listed below. Once we have your completed order form, a Turnbull's Associate will hand select your requested plant material from our available stock. We will then CALL you to finalize the order and get payment information. Due to the limited availability & selling period of bare root, once an order has been pulled and paid for, it can not be changed.

WAY TO PLACE AN ORDER

- EMAIL this order form (jpeg or pdf) to plants@turnbullnursery.com with the subject title "Bare Root Order"
- TEXT your order to (716) 888-0318 or send a clear photo of order form
- CALL the order in to (716) 337-2248 or FAX order form to (716) 337-0318
- SHOP in person after we open on March 17, 2025

Orders will be pulled in which they are received. It is best to email, text or fax your order in. After we open, it's very hard to reach us via calling during business hours as we wait on in-store customers. Calls may not be returned until after closing hours.

As soon as the weather allows you to plant, please do so. We can only hold plants in our storage until about May 1st. If it is a wet spring, you will need to get dry topsoil for planting as they must get in the ground by May 1st. Once plants leave our storage, we like to see them in the ground within 5 day. Keep the roots damp and protect from wind and sun until you get them planted.

Know your warranty....Most, not all plants are warranted until October 1st of the year purchased. You must return the dead plant before October 1st with the original receipt. We will not warranty through the winter. Plants labeled NO WARRANTY (i.e. Barn Buster Shrubs) or plants purchased for a 20% or more discount will not be warranted. Please call and speak to an associate before you dig up a plant for return, as we will only accept plants that are completely dead. We are happy to offer you suggestions if a plant is struggling. Please refer to your receipt for the full warranty. We will do our best to give you information needed to make your planting a success! Thank you.
